MONDAY, MARCH 27
11:00AM
NOVA OER Overview
OER initiatives and projects undertaken at NOVA will be highlighted, as well as data about student enrollment and success in digital OER courses. Participants will be asked to share their own experiences implementing OER at NOVA during the question and answer session following the presentation.

3:00PM
UMUC OER Model
An overview of the University of Maryland University College’s model of institutional adoption and implementation of OER will provide a great opportunity for participants to compare and contrast to their own model.

TUESDAY, MARCH 28
11:00AM
Bring the Library of Congress to Your Classroom
Presenters from Teaching with Primary Sources, a program of the Library of Congress, will take you on a virtual tour of the remarkable digital resources from the world’s largest library.

1:00PM
COUP Framework
Want to be convinced of the efficacy of OER? Hear distinguished scholar and BYU professor John Hilton talk about the COUP framework as an approach for studying the impact of OER in higher ed and designing your own research studies about the impact in your classroom or at your college.

3:00PM
Digital Public Library of America Demo
Looking for open online primary and secondary source materials to use in your courses? This session will demonstrate the searching capabilities and educational resources available from the Digital Public Library of America, a free, national digital library that provides access to millions of materials from libraries, archives, and museums across the US.

WEDNESDAY, MARCH 29
11:00AM
Putting the Person Back into Personalized Learning
In this session, participants will learn about digital personalized learning platforms, including Lumen’s Waymaker. Learn about the ways in which technologies are being leveraged to customize the individual learning experience and enhance the communication between faculty and students.

3:00PM
OER Commons Demo
Interested in finding high quality OER resources to meet your course needs? This informational session will demonstrate the features and searching capabilities of OER Commons, the digital public library of OER.

THURSDAY, MARCH 30
11:00AM
Integrating OER: Tips for Getting Started
How do I find OER? Do I need to covert my entire class to OER? Where do I start? This session will provide tips and tools for getting started with OER. Hear Lisa Young, respected OER leader of Scottsdale CC and Maricopa CC’S Maricopa Millions Steering Team discuss how to get started.

3:00PM
Cultivating OER in PSY
Chris Hafen of NOVA will present a summary of his path to developing OERs, the challenges and successes. The focus will be on the student uptake of materials and how they have impacted preparation, engagement, and interest throughout his courses. The session will provide lessons learned on avoiding pitfalls and building on strengths inherent in an OER approach.

FRIDAY, MARCH 31
12:00PM
OER Google Hangout
Come to this informal session to wrap up your thoughts and ideas after attending any [or none] of the NOVA Opens Up sessions. Ask questions, make comments, share ideas and experiences. Pop in and out of the session as your schedule allows.
